In its 33rd year, the Central Canada Db2 User Group continues to offer quality technical Db2 education. Our 2-day conference brings together many of the best speakers from IDUG NA and the Db2 Labs. For a fraction of the price of larger events, we bring you two days packed with educational opportunities within the professional surroundings of the Bank of Montreal Institute for Learning. If you are in the Toronto area, or can make the trip to join us, you should not miss this opportunity. For more details and to register, go to <http://www.ccdb2.ca/home.htm>.

This is the “**must attend**” seminar of the year and is only \$350 for 2 days of DB2 and IMS Education, or \$200 for 1 day of IMS (Monday only)!!

Registration Includes: Presentation material download, continental breakfast, coffee breaks, and lunch.

Vendor reception on Monday is open to all.

We look forward to seeing you on Monday June 04th – Tuesday June 05th, 2018.

Regards,
Andrew Sykes, President
