

Central Canada Db2 | Toronto IMS

Regional Users Groups

Tuesday May 13, 2025

8:00 - 9:00

Registration / Badge Pick-up & Breakfast

	Db2 for z/OS	Db2 LUW	IMS	Application Development
--	--------------	---------	-----	-------------------------

9:00 - 9:20	Welcome & Introduction - Andy Sykes, CCDUG President			
-------------	--	--	--	--

9:20 - 10:00 Keynote	Keynote TBD			
-------------------------	----------------	--	--	--

15min

coffee break

10:15 - 11:15 Session 1	ZOS-01 Db2 13 for z/OS Latest Features Mark Rader, Keziah Knopp, Tori Felt - IBM - WSC	LUW-01	IMS-01 IMS Managed ACBs Update Depak Kohli - IBM	APP-01 Application Modernization - Considered these Db2 for z/OS Capabilities? Maryela Weihrauch - IBM (Distinguished Engineer)
----------------------------	--	--------	--	---

15min

coffee break

11:30 - 12:30 Session 2	ZOS-02 The Db2 for z/OS Catalog and Directory The Past, Present, and Future John Lyle - IBM - SVL	LUW-02	IMS-02 Get With The Program: Understand What IMS Applications Can Do, and How To Benefit From APIs Suzie Wendler - IBM	APP-02 Transform your mainframe experience w/ conversational AI & automation Sowmya Kameswaran - IBM SVL
----------------------------	---	--------	--	--

60min

lunch

13:30 - 14:30 Session 3	ZOS-03 Mastering Db2 for z/OS Application Performance: Strategies for Success Toine Michielse - Broadcom	LUW-03	IMS-03 Improving the IMS DBA and system programmer experience with a web browser interface Tracy Dean - IBM	APP-03 Strategies for Making Db2 Data Accessible with APIs Chris Crone - Broadcom
----------------------------	--	--------	---	---

15min

coffee break

14:45 - 15:45 Session 4	ZOS-04 Audit your Db2 for z/OS - Isn't she aDORable!! Roy Boxwell - SEGUS	LUW-04	IMS-04 Navigating the Nuances of IMS DDL: A Beginner's Expedition Radek Mrvec - BMC	APP-04 Leveraging VS Code for Mainframe Application Development with Db2 Vaughn Marshall - Broadcom
----------------------------	---	--------	---	---

15min

coffee break

16:00 - 17:00 Session 5	ZOS-05 Db2 for z/OS Health Check Topics Tori Felt, Keziah Knopp, Mark Rader - IBM WSC	LUW-05	IMS-05 Keeping the IMS Catalog Healthy: Utilities Dennis Eichelberger - IBM	APP-05 Leveraging Metrics to Enhance IMS & Db2 Performance Todd Havekost - IBM
----------------------------	---	--------	---	--

17:00 - 18:00	Vendor Expo			
---------------	-------------	--	--	--

Central Canada Db2 | Toronto IMS

Regional Users Groups

Wednesday May 14, 2025

8:00 - 9:00

breakfast

	Db2 for z/OS	Db2 LUW	IMS	Application Development
9:00 - 10:00 Session 6	ZOS-06 Universal Tablespace update as of V13 David Simpson - Huntington	LUW-06	IMS-06 IMS Common Service Layer (CSL) Introduction Deepak Kohli - IBM	APP-06 Exploit Certificates and eliminate tiresome password-pains in z/OS and USS Ulf Heinrich - SEGUS

15min

coffee break

10:15 - 11:15 Session 7	ZOS-07 Db2 for z/OS and Db2 Administration Foundation: An Installation Experience Tori Felt - IBM WSC	LUW-07	IMS-07 Innovative Customer Solutions to IMS Challenges Gary Turner - Broadcom	APP-07 Title: Breaking News: API-Driven Mainframe Access Ensures Security and Efficiency Toine Michielse - Broadcom
----------------------------	---	--------	---	---

15min

coffee break

11:30 - 12:30 Session 8	ZOS-08 Ready for Temporal Data in DB2 for z/OS? Maryela Weihrauch - IBM (Distinguished Engineer)	LUW-08	IMS-08 IMS transaction orchestration for IMS Connect and MQSeries Deepak Kohli - IBM	APP-08 Enhance Db2 Performance with Multi-Row Processing Techniques Chris Crone - Broadcom
----------------------------	--	--------	--	--

60min

lunch

13:30 - 14:30 Session 9	ZOS-09 How to Recover When Recovery Seems Impossible Chad Reiber - BMC	LUW-09	IMS-09 IMS, analytics, and data streaming, oh my! Tracy Dean - IBM	APP-09 Db2 for z/OS 101: This or That? Tools to interact with Db2 for z/OS! Anna McKee & Bridget Berry - IBM WSC
----------------------------	--	--------	--	--

15min

coffee break

14:45 - 15:45 Session 10	ZOS-10 40 Years of Battle Scars from Managing Db2 for z/OS Steen Rasmussen - Broadcom	LUW-10	IMS-10 IMS Catalog Implementation: Some Missteps that Should be Avoided Dennis Eichelberger - IBM	APP-10 FUN WITH SQL - interactive SQL challenges for all! David Simpson - Huntington Bank + IDUG content Brian Laube - Manulife Financial + IDUG content
-----------------------------	---	--------	---	---

Thank You!
See you in 2026
